

# CODE OF ETHICS

**AIXTRON's Code of Ethics** is addressed to the members of the Executive Board of AIXTRON SE and to individuals with key financial responsibilities.

AIXTRON's **Code of Ethics** is an integral part of **AIXTRON's Compliance Management System** and its key objectives are as follows:

- Promote honest and proper conduct and compliance with applicable laws, regulatory requirements and internal compliance regulations;
- Transparency and honesty in dealing with conflicts between the interests of AIXTRON and conflicting private interests;
- Gain the confidence of investors, employees, the press and other stakeholders by disclosing AIXTRON's quarterly and annual reports in a complete, comprehensive and timely manner;
- Reporting, handling and sanctioning violations of the provisions of the Code of Ethics.
